

## Camp Tecumseh      Spending Money

Name \_\_\_\_\_

During the course of the summer, your son will want to purchase various items such as batteries, toothpaste, stamps, etc. He will also want money for snacks at the Creamery and occasional recreational trips and activities.

We try to make camp as cash-free as possible so we create a camp account for each boy. Withdrawals may be made as necessary, and boys will initial their account cards when any deposits or withdrawals are made. We prefer that all deposits be made by check so that we have an additional way of verifying that our records are accurate. Balances are refunded to you at summer's end.

Our experience suggests that the following amounts should suffice for 7 weeks. For a 3 ½ week stay, cut the total in half.

Juniors (ages 8-12)	\$140
Intermediates (ages 13-14)	\$175
Seniors (ages 15 – 16)	\$200

To have your son's account already open when he arrives at camp, please send a separate check made out to - CAMP TECUMSEH STORE ACCOUNT - and be sure that your son's name is on the check. Checks should be received by the first day of camp.

Attach the check to this form and return it with the other forms.
