**For Those Who Will Be Arriving or Departing by Air – Read This Carefully!**

If you use the camp van service, campers who arrive at Boston or Manchester Airports will be met by a Tecumseh counselor wearing a staff shirt in the appropriate baggage claim area. Flights should arrive in time for the camper to make dinner at 6 p.m. Allow 3 hrs. from Boston and 1 1/2 hrs. from Manchester. At the end of a Camp session, van service to the airports will be available on that day. Departures from Manchester should be scheduled after 1:30 p.m. and from Boston after 3:00 p.m. **Please try to schedule all domestic flights into and out of Manchester- it is much closer and more convenient to Camp.** There is no charter bus home.
