The 2011-2012 Blue-Gray Fund surpassed its goal of \$157,500 and raised \$165,000! You will notice through the Donor Report, this year's list is filled with great Tecumseh names which are now back and active in the CT community! In addition to the Pancho Mazza for Tecumseh Fund and Kurz Family Scholarship Fund, this year the George E. Stanley Scholarship Fund was established, which will serve as another endowed fund to live in perpetuity with Camp Tecumseh. **In all, our community contributed over \$400,000 to Tecumseh this year!**

Thank you for the attention, the priority, and the awareness that you have all given to Tecumseh. Through the Donor Report, we honor those in our community that are consistent Blue-Gray givers. Every organization has their backbone, and you are the ones we can count on each year to support us. Thank you to all that choose to give to Tecumseh, but a special thank you those whom give every year.

The goal for the 2012-2013 Blue-Gray Fund is \$165,000. In order to help us reach this goal, perhaps this is the year to make Tecumseh your philanthropic priority and increase your Blue-Gray gift, and if not, we ask that you sustain your gift level. For those that have never made a gift to Tecumseh, remember that we are the same 501c3 non-profit organization as the other organizations that you may support, and part of our budget relies on your support to be able to provide young men a life changing opportunity.

The summer of 2012 was one of Tecumseh's most memorable! A record enrollment of 270 campers, perfect weather, and a terrific staff resulted in seven weeks of fun! A rock climbing trip to Acadia National park, a six day canoe trip to the Rangeley Lake Region of Maine and new climbing walls in the barn have enhanced our healthy and popular Outdoor Adventure Program. Another outstanding performance of Gilbert and Sullivan's, Iolanthe, graced the Williams Opera House. Over thirty boys, who otherwise would not be able to afford Camp, were recipients of Blue Gray Scholarship aid. Campers from Italy, France, England and Spain gave us a diverse and international flavor. Tecumseh continues to flourish on the shores of beautiful Lake Winnepesaukee!

Finally, if you haven't yet seen the new Tecumseh promotional video, you must get to our website – [www.camptecumseh.net](http://www.camptecumseh.net) – and take a look. This 7-minute video can be used as an informational piece for prospective families as well as a motivational tribute to the Tecumseh spirit. Do Tecumseh a favor and share it with those in your community. If you do not receive our Blue-Gray Newsletters via email, please get to the website to update your contact information. Keep in touch with Camp Tecumseh and you are always welcome up for a visit!

“The changes that I have seen in my son since he started going to Camp Tecumseh have been extraordinary. He has improved his independence, self-confidence, and leadership skills as a result of spending his summers with you. Without the support you have offered our family, none of this would be possible. Thanks again, and hope to see you again this summer.”

“I would like to thank you for letting me come to the greatest place on earth. As soon as I arrived, I fell in love with Camp. The people are great; they are friendly, supportive, caring and honest. I made a lot of friends at camp this summer; some older and some younger. When I left I was in tears. I don't think that I ever felt so emotional when I left a place in my life, but really camp is not just a place it is a home...”

**BLUE-GRAY RECIPIENT**

“My Camp Tecumseh experience was great. I learned alot of things that will help me in life. The counselors made me feel at home... The first kid I met he helped me with everything, and we were in the same cabin so that worked out well... Everything about the camp was perfect... Camp Tecumseh was the highlight of my summer, and one of the highlights of my life. Thank you all for such a great experience and opportunity!”
